

Our home is where the heart is

A warm welcome to Hesketh Park Lodge

Hesketh Park Lodge is a modern, purpose-built residential care home offering compassionate, professional and dignified care in stylish and comfortable surroundings.

Designed and equipped to meet a wide range of needs, the home's team of experienced care staff work closely with residents and their families to provide a truly person-centred service.

Whatever is important to our residents, is important to us too.

Hesketh Park Lodge is a purpose-built facility designed to be friendly, welcoming and carefully created to meet the needs of residents over the age of 65.

Arranged over four floors using intelligent design, it provides a safe and responsive community of support and expertise.

The lodge offers a choice of communal and private accommodation in a homely setting to be enjoyed by everyone. The entire care home provides an environment that has been designed and managed to maximise independence.

Providing short and long term care, Hesketh Park Lodge also offers rehabilitation facilities and respite care for people making the transition from hospital to home following medical treatment.

An exceptional standard of care

Hesketh Park Lodge offers exceptional standards of care to meet each person's individual requirements. Whether a resident is ageing well or has specific conditions such as dementia, we focus on getting to know them to provide a truly person-centred approach.

Essential Standards

- To be treated with respect, dignity and compassion
- To have privacy in all personal matters
- To be kept safe and fully informed about all aspects of care, treatment and support
- To live in pleasant, clean, comfortable and welcoming surroundings
- To be given opportunities, encouragement and support to live as full a life as possible
- To have personal records treated confidentially, kept safe and updated
- Access to an open and honest complaints procedure to raise concerns
- To be protected from abuse or the risk of abuse and to have human rights observed

Care Philosophy

At Hesketh Park Lodge we are trusted care facilitators, committed to meeting residents' individual needs whether they are ageing well or have specific medical requirements.

We realise that some of our residents have made a lifestyle decision to move into a care home community to receive the support and assistance for themselves or a spouse while others have specific needs as a result of living with conditions such as dementia.

Whatever each person's individual circumstances, we offer a community of care that looks at the individual as a whole and appreciates the lifetime of experience they have acquired.

Care Team

Hesketh Park Lodge employs people with a proven track record in care provision and invests heavily in training to ensure that the essential elements of respect and dignity are built into all care procedures and processes.

Staff are focused on providing compassionate, transparent and person-centred care to the highest standards.

Many members of staff are trained to NVQ Level 3 in Health and Social Care and Hesketh Park Lodge also uses state of the art technology and on-site training facilities to provide staff with the latest qualifications.

At Hesketh Park Lodge we are trusted care facilitators, committed to meeting residents' individual needs whether they are ageing well or have specific medical requirements.

Taking care of all your needs

Care, Treatment and Support

Hesketh Park Lodge works alongside health and social care commissioners and agencies to help provide the most appropriate care and support for people's health and well-being. Individuals' needs are assessed according to cultural background, language, gender, disability, age, sexuality, religion and beliefs.

At Hesketh Park Lodge facilities are arranged over four floors to meet the varying needs of residents.

The lodge provides a hotel-style level of service for people who are ageing well with a relatively low level of dependency. This is for individuals who have chosen to live in a care home community while continuing to enjoy a varied and busy life.

Our first floor is designed for people with higher levels of dependency and the members of staff have the specialist skills to meet these needs. This includes residents who are living with dementia as a result of conditions such as Alzheimer's or Parkinson's disease.

Outings and Activities

Hesketh Park Lodge has a thriving and meaningful activity programme for residents including trips out and about in the local community and further afield.

There are regular visits to local parks, markets and shops in and around Southport as well as organised excursions to local places of interest.

Residents who enjoy activities within the community such as members of sports and community groups are encouraged to continue with their pastimes and interests. Care home staff also organise visits to favourite cafés and restaurants, and even former places of work.

Hesketh Park Lodge also organises its own activity groups in the care home such as knitting, dancing, painting and exercises. There are also regular celebrations for landmark days and events.

Visiting Services

Hesketh Park Lodge welcomes a number of visiting professionals providing a range of services for the benefit and convenience of residents.

We work closely with local health and social care providers who visit the home on a regular basis or who make visits by prior arrangement.

These include local GPs, district nurses, an optician and chiropodist. Hesketh Park Lodge is also equipped with its own hairdressing salon and a dedicated hairdresser is available for appointments.

Visiting services include:

- GP
- Optician
- Hairdresser
- Chiropodist
- Physiotherapist
- Speech and Language Therapists
- Community Mental Health Team
- Dietician

Relaxing residential accommodation

Great care has gone into providing comfortable, stylish and high quality accommodation that has a truly 'home from home' feel.

Bedrooms

Hesketh Park Lodge has 79 bedrooms. High quality furnishings are blended with practical and easily accessible facilities to help residents support themselves and receive extra help should they need it.

The high quality fittings and fixtures are regularly maintained and additional facilities can be provided for couples.

Bedrooms have mounted wall memory boxes at the entrance for personal memorabilia to create a truly 'home from home' feel.

All bedrooms include:

- En-suite wet room
- Adjustable profile bed for ease of access and comfort
- Wireless call system
- Digital flat screen television
- Telephone and wireless internet connection

Communal Rooms

Each floor at Hesketh Park Lodge has communal areas including dining and sitting rooms as well as the use of a residents' kitchen. Careful attention has been paid to make each area comfortable and distinctive with specially chosen fabrics and colours. Furniture is arranged in small groups just as it would be at home.

Intelligent design helps guide residents around the facilities and clever use of colour helps residents living with dementia manage spatial awareness.

Facilities include:

- Communal dining and sitting rooms
- Residents' kitchens
- Health and beauty facilities
- Cinema Room
- Garden and patio
- Each floor is equipped with additional bathroom facilities featuring a bath with transitional seat
- Mobility scooter bays

The Local Area

Hesketh Park Lodge can be found in the heart of Southport, close to Hesketh Park with its beautiful gardens and ornate fountains.

Situated near to the promenade with easy access to the town centre, Hesketh Park Lodge is located on a bus route, offering easy access for residents and visitors.

Southport is a thriving Victorian seaside town with a wide range of amenities and organised events throughout the year.

Visiting

Family and friends are warmly welcomed to Hesketh Park Lodge.

We consider visiting an essential way of ensuring that the daily lives of our residents are as close to normal as possible. Visitors are welcome to share time with residents either in the spacious lounges or in the comfort and privacy of their own rooms.

There's always time for a simple chat over a cup of tea or coffee using our resident's kitchen facilities or with prior arrangement they can join residents for meal times.

There are also plenty of ways for residents to keep in touch with their family and friends with telephone and internet access available in all bedrooms.

Types of care

Arranged over four floors, Hesketh Park Lodge is uniquely placed to meet a wide range of needs for both short and long term care.

Our facilities and care teams are ideally placed to help those who are ageing well, people living with dementia and those who require respite care.

As people's needs change, we can change with them to provide a truly person-centred approach.

Residential Care

Our lodge is designed for residents who are ageing well and have made the choice to live within a care home community. Rather than being isolated in their own homes, they benefit from a wide range of support and companionship.

From help with dressing and daily living activities to regular meals and easy access to visiting external professionals such as GPs, residents benefit from a safe, secure and welcoming environment.

Residents are encouraged to enjoy their lives exactly as they did when they lived at home through activities in the local community and within the care home.

As their requirements change and the level of need increases, Hesketh Park Lodge can provide the next level of care offering a smooth transition for those in need of more support.

Dementia Care

Hesketh Park Lodge provides a safe, secure and responsive environment for the effective care of people living with dementia.

As a purpose-built facility, the first floor at Hesketh Park Lodge, Ash, is dedicated to residents who are living with cognitive impairment and special care has been taken to provide relaxing and harmonious decoration incorporating numerous special design features.

From simple touches such as colour specific designated areas and easy to identify signage, residents can familiarise themselves with their surroundings and feel safe and secure.

Image of Parklands Lodge

Respite Care

Hesketh Park Lodge offers rehabilitation facilities and respite care for people making the transition from hospital to home following medical treatment.

We offer 'home from home' style facilities for those returning from lengthy treatment sessions who require assistance in regaining their independence from our fully trained care team.

Our facilities include a bedroom with separate bathroom and kitchen facilities, providing a safe environment to adapt to an independent lifestyle.

Our care team will assess each person's needs and monitor their progress as they rehabilitate from an illness or adapt to new health conditions.

Hesketh Park Lodge can provide the next level of care offering a smooth transition for those in need of more support.
